

# *Pre-AP Art I course application*

Pre-AP Art I is a more demanding, higher-level course than regular Art I. Students who sign up for Pre-AP Art I often go on to take the AP level Studio Art classes. To make sure this class is a good fit for you, please submit the following items to Mr. Darr (at Martin HS) to get approval to take the class. Feel free to submit materials in person (Martin HS, room 183) or by email ([mdarr@aisd.net](mailto:mdarr@aisd.net)).

## *1. Samples of your work*

Show us who you are as an artist. Provide one or more samples of your work that best show who you are as an artist—work that shows your favorite medium, your favorite subject matter, and that best shows your style.

## *2. Tell us something:*

In the space below, describe why you would like to take the Pre-AP class.

## *3. Teacher recommendation*

Have your current Art teacher write a brief recommendation for you. It can be on paper or in an email to [mdarr@aisd.net](mailto:mdarr@aisd.net).
